The highlight of the week was the Warm Springs community coming out to thank in person the Warm Springs Health and Wellness Center staff, both Indian Health Service and Tribal Health. We all cheered when two jets flew over to thank them for their work and as a reminder of meaning of Memorial day.-

“Memorial Day weekend is upon us. Please take some time to reflect and remember our fallen service men and women who paid the ultimate sacrifice for country. Wishing you and your family a safe and blessed weekend.” Hyllis Dauphinais

Please remember we are in the Corona Virus time.... We have a lot of visitors coming through our reservation and surrounding counties. Our Tribal Council wants to remind you that the reservation is still stay home stay safe, mask-up, social distance, avoid crowds, wash hands often and **do not bring the virus back to our reservation homelands.**

STAY HOME STAY SAFE
