Weekend is upon us, so: if you are hosting a gathering or cook-out.....remember the Corona Virus-19 is still among us. Think about the risks when planning a gathering, don't invite a sick person, especially if they have Corona Virus-19 symptoms; avoid close contacts with quests, no hand shakes, have event outdoors, with chairs and tables apart from each other, use cloth face coverings, offer a face covering if they forgot theirs; have hand sanitizers handy, wash hands when entering and exiting social gatherings, lather soap and wash for at least 20 seconds, have guests bring own foods, control serving utensils, don't bother cooks in kitchen, clean and disinfect often, use hand paper towels, and keep a list of names.....and with all this have fun! Visit safely with above recommendations with your guests.
